Staff members are very mindful that camp activities occur outdoors and they diligently watch other park patrons and notify proper personnel of any suspicious individuals or activity. Parents must be aware that we do not allow anyone checking kids out of camp that have not been authorized in writing or verbally by the proper parent in charge.
  - Parents and other adults picking children up are required to present picture identification until camp staff become familiar with adults. Please note that this is a requirement for the safety of all campers, **we encourage all adults to bring picture identification every day during pick-up.**
  - Under no circumstances will children be permitted to be dropped off prior to 7:30am.
  - **Any children being dropped-off at camp after 9:15 am must bring a packed lunch because they will not be included in daily lunch counts.**

All checks are made payable to **“COUNTY OF PULASKI”**.

*NOTE: The County of Pulaski **does not** provide year-end report forms to parents regarding camp payments for tax purposes. It is the responsibility of the parents to keep weekly receipts and invoices given by camp staff for tax credit. However, a tax identification number will be given by staff during the last week of camp and will be sent out via email at the beginning of tax season.*
  
- 4) **Invoices will be sent out weekly on Fridays and payment is expected in full on the following Monday or the next day of attendance.** If payment is not received by the following Friday, the child will be suspended from camp until the account is brought current.
  
- 5) **Required Forms:** Parents must thoroughly READ, complete, sign, and turn in all required forms included in this document. *Parents with multiple children must fill out separate forms for each child.* These are as follows:
  - Page 5 Registration form
  - Page 6 Discipline Policy
  - Page 7 Attendance Verification
  - Page 8 Parental Authorization Form (for swimming sunscreen, medication, and field trips)

- 6) **STAFF:** All summer camp staff are properly screened, trained, and approved for work with children. Staff members are trained in CPR and First Aid. Staff members work under the direct supervision of the Summer Camp Director.
- 7) **What to bring to camp:** All activities take place outside so please dress campers appropriately. Come dressed for mess and outdoor activity! Appropriate attire includes shorts, t-shirt, tennis shoes, hat, and swimsuit. Campers must bring a towel, sunscreen, and a **refillable water bottle with the camper's name clearly printed on it.**
- Note: Sunburn is a major concern. Our staff will make sure all campers have applied sunscreen. **It is the responsibility of the parents/guardians to provide sunscreen lotion** and help monitor skin irritations or potential burning. Parents must sign "sunscreen application permission form" for staff to apply sunscreen. Campers may bring a cooler with ice pack for drinks and extra food. We do not refrigerate nor heat foods. All camp items are required to have the child's name or initials written on these including clothes. We go through lost and found on a daily basis and normally collect several unclaimed items.
  - Campers are allowed to bring some money for concessions while at the pool, but money should not be excessive. For younger campers, counselors can hold money only if it is in a sandwich bag with the child's name clearly printed in permanent marker.
  - Campers may bring card games and small toys for use during unstructured times during drop-off and pick-up, however these items must be put away at the start of the daily morning meeting. Camp staff members are not responsible for any items lost, stolen, or broken.
- 8) **What NOT to bring to camp:** Gum, valuables, I-pods or pads, CD players, radios, or any electronic hand-held games. Other items not listed that are determined by staff to be a nuisance will be required to be left at home. Campers may NOT have cell phones unless required by parent due to an emergency or medical condition.
- 9) **Lunches and Snacks:** Randolph Park Summer Camp provides morning and afternoon snacks and water from a portable cooler as needed. **We ask that campers bring a refillable water bottle with their name clearly printed on it in order to keep fluids with them during afternoon activities.** We will be providing warm lunches brought to the campers from the PCHS cafeteria each day. Lunch counts are submitted to the PCHS cafeteria at 9:15am daily; any campers arriving after that time are asked to bring a packed lunch because they will not be included in the lunch count for that day. Based on the start date for the school summer meals program, there is a possibility that we will not provide lunches during the first and last weeks of camp. If this is the case, you will be notified and required to pack a lunch during those weeks.
- 10) **Camp format:** There will be a designated camp staff supervisor for your child's group. Groups will be as divided by rising grade level: 1<sup>st</sup> through 6<sup>th</sup> grade (6 groups). A typical camp day will consist of free-play activities during check-in from 7:30 - 9:00am, going swimming until 11:45, reporting to lunch at large shelter for approximately 45 minutes, and beginning afternoon activities around 1:00. There will be organized activities as decided upon by the age group supervisor as well as free play opportunities. All activities will be supervised by designated supervisor and staff support personnel. Activities may include but are not limited to arts/crafts, playground time, organized sports play, educational/cultural lessons, and other activities as deemed appropriate. Staff will be receptive to suggestions and ideas from both youth participants and parents. Staff will be mindful of keeping youth properly shaded from the sun and adverse weather conditions each day.
- 11) **Field Trips:** Parents will be notified in advance prior to taking field trips. A separate permission form may be required. A small additional fee will be required for field trips – this fee cannot be waived. (Gas prices will determine ability to take field trips). All field trips will return campers to Randolph Park by 4 pm.

**12) Inclement Weather & Emergency Shelter Facility:** Typical inclement weather of concern during camp months consists of general or heavy rains, thunder, and lightning. During immediate emergency weather requiring indoor shelter, campers are moved to the inside of the pool house facility to wait out the storm. Lengthy or forecasted bad weather will require the camp to convene indoors at **Central Youth Center** located at 143 Third Street in Pulaski or **Old Riverlawn Elementary School** in Fairlawn. These are our only county owned facilities capable of housing our camp participants. Parents will be notified in advance or when campers are bused to this facility via mass text, email, and by Facebook post. Parents will be notified if a child needs to be picked up at Central or ORES or back at Randolph Park. We will provide bus transportation to Central Gym around 9:00am that day and return around 3:30 or kids can be picked up at the specified facility if weather does not permit returning to Randolph Park.

**13) Medication, Illness and Injury:** It is our camp policy **not** to administer any medication unless it is considered necessary and vital to a child's health. If so, an authorization to give medication form will be signed by the parent stating such authority and type of medication. We are equipped with first aid kits to handle minor injuries. If there is any question that the injury is more serious (not life threatening), we will call parent to seek advice on how to proceed. Of course, serious injuries will prompt immediate Emergency Medical Response (911) and immediate notification of parent(s). Please be respectful of others and remember that camp is not a place for sick children. Keep sick children away from camp until symptoms are back to normal. If a child misses camp due to being sick, the parent must notify staff of illness. If sickness is deemed contagious, parents must tell staff so precautionary measures can be taken with other youth to avoid potential outbreak.

**14) Contact Information:** Feel free to email us at [RandolphParkSummerCamp@gmail.com](mailto:RandolphParkSummerCamp@gmail.com). Parents may call the Pool Front Desk at 674-1513 and select the option for summer camp. Parents may come to camp at any time but must notify staff of arrival. Camp staff is not required to give out his/her personal cell phone number to parents but have the option to do so if desired. If non-direct communication from staff is not granted via cell phone, parents may arrange a method of communication with program director if he/she feels current system of land line 674-1513 or email is not sufficient.

**15) Communication:** Summer camp staff will utilize multiple avenues of communication with camp parents and children this year. We will be actively using a mass text system for those who choose to sign up, a Facebook group page, and email in order to communicate camp updates and information.

- The Facebook group page can be found at [facebook.com/groups/RPsummercamp](https://facebook.com/groups/RPsummercamp) or by searching Randolph Park Summer Camp.
- You can sign up for text messages by texting @rpcamp18 to 81010. If you signed up for this last year, you are already signed up for the service this year.
- The Summer Camp Director can be reached via email at [RandolphParkSummerCamp@gmail.com](mailto:RandolphParkSummerCamp@gmail.com). Due to the new invoicing system, all guardians will be required to provide a valid email address prior to completing camp registration. This email will be used to communicate important information, possible changes to the camp day, and weekly invoices.

**16) Camp headquarters:** The camp headquarters will be at the large picnic shelter (with the stone fireplace) above the pool. Of course, during morning swimming hours, camp will be at the water park facility. On days the shelter facility is reserved by an outside group, we will use another available shelter located in the park. Visible signs will be posted at the large shelter signifying location of campers.
