June 21st- 27th Ozone All-Stars Hosted by Radford

OZONE Rules

- Games will consist of 6 full innings. In order to keep games on time, no new inning will start after an hour and 45 minutes. Coaches are STRONGLY encouraged to ask the umpire for the official start time. Additionally, umpires should notify both teams when a potential time limit may come into play.
- There will be a drop dead time limit of two hours. Umpires will keep games moving and not let teams unnecessarily delay games. Managers will get one warning, and then the penalty will be ejection of the manager.
- In order to keep games moving and give teams more offensive opportunities, there will be a 5 run rule limit per inning, with the exception of the last inning. Teams can score as many runs as necessary to come from behind in the last inning only. However, the 2 hour drop dead time is still in effect.
- Per Dixie rules, teams may play up to one extra inning if tied after six innings, and time permits. Drop dead rule is in effect.
- Fifteen run rule in effect after 3 innings, and ten run rule in effect after 4 innings, per Dixie rules.
- Teams will bat one time through the order, then drop to the first nine batters. However, a team can elect to use continuous order. **All tournament offensive substitution rules apply.** For example, a pinch runner is an offensive substitution.
- A team can play with eight players. Teams may "borrow" one player to make nine. Teams can borrow up to two players only. Anything less than seven regular team players, must be forfeiting or re-scheduled. If you borrow a player, they must bat at the end or the order, play in the outfield, and cannot pitch. Team **can not** borrow players if they have nine players.
- Free substitution on defense.
- Teams **must** use three outfielders.
- All players **must** play at least 2 innings in the field and bat one time. Players do not have to play consecutive innings.
- If the umpire witnesses lighting, each area shall wait at least 30 minutes from the last lighting strike. Christiansburg, Radford, and Pulaski all have lighting detection systems, and are mandated by their system policies and will not divert from their respective systems. No area shall permit players to return to the field less than 30 minutes from the last visible lighting strike.
- **PLEASE NOTE DIXIE PITCHING RULES** in Dixie rulebook, pages 67-68. Six innings per week (M-S) still applies as well as new pitch count rules. "No pitches" as called by the umpire count towards the overall pitch count. Warm up pitches do not. It is the obligation of the HOME book to track the pitch count of each team. We highly encourage each manager to check with the **OFFICIAL** scorekeeper between innings to insure both teams have the same pitch count recorded. However, if there is a discrepancy of some sort, the **HOME** book will be the official book, just like it is for the regular scorebook.

Coaches / scorekeepers may use any method to track pitch counts. For your convenience, Dixie has provided a pitch count worksheet here:

https://s3.amazonaws.com/files.leagueathletics.com/Images/Club/22268/2017%20DYB%20PITCH%20COUNT%20LOG.pdf

PLEASE NOTE DIXIE PITCHING RULES in regards to pitchers AND catchers:

- All USA Baseball affiliated leagues (Dixie, LL, Babe Ruth, Cal Ripken & etc) have implemented pitch count rules in order to protect pitchers and catcher's arms. Tommy John Surgery has now become the # 1 youth sport injury surgery. Research has proven that arm damage is cumulative in nature and typically does not show up until later. Thus, it is imperative that we follow these new rules to protect our youth.
- Pitchers warming up between innings shall be given no more than eight warm up pitches (page 65). However, any new pitcher summoned to the game will be given as many pitches an umpire deems necessary (page 65).
- Contrary to the rulebook, no jewelry or break away necklaces will be permitted in any local games. Exception is any medical bracelet or necklace.
- All players must wear a face mask on their helmet. This is a Virginia Dixie Rule.
- Per Dixie Rules, "courtesy runners" are not permitted for pitchers and catchers.
- All other rules shall follow Dixie Youth Baseball, or if not listed in the Dixie rulebook, follow USA Baseball.
