9. CONDUCT

It is the policy of Pulaski County Recreation that any type of violence, profanity, verbal abuse, or unbecoming actions by anyone in any Pulaski County Recreation program will not be tolerated. In the event any of these happen the player or coach will be suspended for a mandatory one game suspension. If the case is severe, suspension can range from a one game suspension, to the rest of the season, to one year, to a life suspension. If a suspension is given to a coach or a player, he/she cannot participate in any sponsored sports program by Pulaski County Recreation.

Any coach or player who is charged with two technical fouls in game will be suspended from that game. Three technical fouls per coach per season will result in coach being dismissed for the remainder of the season.

Players at no time should argue an officials call. Coaches may calmly and respectfully approach an official during a time out to question a call. Regardless if a coach feels the officiating was poor or disagreeable, coaches are to never complain or blame officials in the presence of his/her team members. If a coach feels a complaint is justified on an official, he/she should do so in private with a representative of the recreation department.

The Pulaski County Recreation Department reserves to right to ban any parent or fan for violence, profanity, or verbal abuse.

Our objective for Pulaski County Youth Sports is to help young athletes become better players as well as build upon positive character traits. The league was founded on the principles of involvement, learning skills, and having fun as the most important aspects of the program.....not winning. We recognize not every athlete can be on the winning team, but every kid can be a winner. Emphasis is placed on fun and involvement and not winning and losing.

10. INCLEMENT WEATHER POLICY.

When school is closed or is dismissed early, games or practices will be cancelled for that night. To inquire about cancellations on weekends call 980-7795 or 674-0107.
