

Pulaski County Recreation League Wrestling

2020

If you are the parent or guardian of a **boy or girl in grades **pre-K (5 yrs. old minimum)** thru **5th grade** in Pulaski County who would be interested in participating in Wrestling... **LISTEN UP!****

Pulaski County Recreation League Wrestling will have its sign-ups and first practice of the season **Monday 2/24/2020** from **6:30 – 8:00 PM** at the **PULASKI COUNTY HIGH SCHOOL Auxiliary Gym**. Enter the main gym and come to the back hall through either set of double doors on the school side of the gym. We will hold sign-ups and practice that day, but kids can sign-up any day we have practice.

The season will run approximately 8 weeks, with practices being held weekly on **Mondays, Tuesdays, and Thursdays** in the PCHS wrestling room. The team will compete against other Recreation League teams from Radford, Blacksburg, and Christiansburg (and others to be determined) on a weekly basis, with a league tournament being held at the end of the season. This is a great opportunity to get your child involved in a sport that's built on hard work and discipline.

You must complete a Pulaski County Recreation League Participation Form in order to participate; Participation Forms will be available at practice. If you are not able to make the very first night of practice don't worry, signups will be accepted for weeks to come. Standard Pulaski County Recreation League Participation Fees and Rules apply.

Come on out and be part of the fun!
